

Meet the Authors of the Foundation Book Series Advanced Control Foundation and Control Loop Foundation

TUESDAY	
8AM	8-4361 - Addressing Control in the Presence of Process and Measurement Noise Terry Blevins, Willy Wojsznis in Palomino 1
9AM	12-4381 - Control Using Wireless Measurements Terry Blevins, Mark Nixon in Dallas 7
10AM	3-4905 - Evidence based design guidelines for effective operator overview displays Mark Nixon in Appaloosa 1
10AM	8-4240 - Application of On-line Data Analytics to a Continuous Process Polybutene Unit Terry Blevins in Dallas 6
1PM	TF-5623 - Virtualization and Big Data in Process Control - Advancements and Developing Trends Mark Nixon in Grapevine B
2PM	8-4240 - Application of On-line Data Analytics to a Continuous Process Polybutene Unit Terry Blevins in Palomino 1
2PM	8-4775 - Challenges and Solutions in Data Analytics Application for a Distillation Column Willy Wojsznis in Grapevine 4
3PM	5-4681 - Process Education on Demand - targeted, customizable training (featuring "New" eLearning Control Loop Foundations) Terry Blevins in Grapevine 6
WEDNESDAY	
8AM	3-4905 - Evidence based design guidelines for effective operator overview displays Mark Nixon in Appaloosa 3
1:15PM	5-4681 - Process Education on Demand - targeted, customizable training (featuring "New" eLearning Control Loop Foundations) Terry Blevins in Texas 5

1:15PM	TF-5623 - Virtualization and Big Data in Process Control - Advancements and Developing Trends Mark Nixon in Texas 4
2:15PM	8-4361 - Addressing Control in the Presence of Process and Measurement Noise Terry Blevins, Willy Wojsznis in Texas 5
3:15PM	10-5283 - Utilizing DeltaV CHARMS Smart Logic Solver (CSLS) SIS on an Experimental Distillation Column Mark Nixon in Mustang 2
THURSDAY	
8AM	8-4775 - Challenges and Solutions in Data Analytics Application for a Distillation Column Willy Wojsznis in Fort Worth 7
10:00 AM	12-4381 - Control Using Wireless Measurements Terry Blevins, Mark Nixon in Pecos 4
1:15PM	10-5283 - Utilizing DeltaV CHARMS Smart Logic Solver (CSLS) SIS on an Experimental Distillation Column Mark Nixon in Dallas 5
FRIDAY	
8AM	MTE-5524 - Utilizing DeltaV Advanced Control Innovations to Improve Control Performance Terry Blevins, Willy Wojsznis in Dallas 4
8AM	MTE-5525 – MythBusters: What’s Real and What’s Not When it Comes to More is Better for Operators to be Effective Mark Nixon in Grapevine 4
10AM	MTE-5524 - Utilizing DeltaV Advanced Control Innovations to Improve Control Performance Terry Blevins, Willy Wojsznis in Austin 2
10AM	MTE-5525 – MythBusters: What’s Real and What’s Not When it Comes to More is Better for Operators to be Effective Mark Nixon in Grapevine 4
